

Invitation to the **Business at OECD (BIAC) Zero Corruption Forum**

1st March 2024 at LUMSA University, Giubileo room
Via di Porta Castello 44, 00193 Rome

Dear members, dear partners,

We are delighted to invite you to join our **Business at OECD (BIAC) Zero Corruption Forum**. This high-level event takes place at **LUMSA University in Rome, Italy, on 1st March 2024, 10h00-13h00**, and will be followed by a networking lunch. The event will set the scene for the new *Business at OECD* Zero Corruption Campaign, which will be launched on that day. It will bring together anti-corruption experts from business, governments, international organizations, and civil society to discuss emerging corruption trends and tools to tackle them. Participants will also exchange views on how we can work in partnership to promote integrity and foster a corruption-free business environment.

The new *Business at OECD* Zero Corruption Campaign aims to:

- Mark the 25th anniversary of the OECD Anti-Bribery Convention and trigger a reflection process on how to ensure its continued relevance;
- Raise awareness of the need to eliminate corruption for achieving the Sustainable Development Goals, in line with the *Business at OECD Zero Corruption Manifesto*;
- Showcase the actions the business community is taking to eradicate corruption and inspire future action.
